

We offer cooperation with your group for new investor connections and new investment areas.

As the Group Leader, I am Suat K BULUT;

Since 1993, after my MBA in business administration and organizations, I have been active in the business world with academic PHD doctoral programs in international economics and finance.

With my PhD program since 2000, I focused on \$ 4 trillion Gulf Countries Sovereign Wealth fund (SWF) and other private-family investment funds within \$ 10 trillion of world SWF funds.

I reviewed 2000 GCC funds. I examined the operations, investment strategies and investment areas of the largest 200 funds. I had one-on-one talks in Gulf countries. This makes **the investment in the fund of Turkey and the Central Asian country**, also drove on the **Gulf Turk Capital** enterprises with consultancy services. **I brokered \$ 50 billion of investments**

Since 2016, I have expanded my net business with investors and financial institutions with my (O1 Extra (Finance) Ordinary Visa) with Gulf US Capital, which is active in the United States.

My main goal is; To move **4 trillion dollars of Gulf funds to America**, to offer attractive investment areas and instruments in America and other regions to Gulf funds. A significant portion of the Gulf funds (\$ 1.5-2 Trillion) is invested in US and foreign countries and investment instruments.

My awareness is my expertise in Islamic criteria (such as Murabaha-Musaraka, Ijara, Sukuk Bond ...), which are very important in the investment strategies of Gulf funds.

In order to develop joint projects and collaborations in economic sectors-financial-commercial-scientific-industrial-technological- real estate and other industrial and service areas between **Gulf Cooperation Council (GCC) countries'** investors and US entrepreneurs, state and local and private institutions, investors, and among people who want to develop business, **GULF US PLATFORM** has been operating since 2016.

Liaison offices and network are available in the US and the **Gulf (Saudi Arabia, United Arab Emirates, Qatar, Bahrain, Oman, Turkey, Azerbaijan, Kazakhstan) countries.**

We set up our US SHARE FUND company (tax exempt) in Delaware, which will develop cooperation with Gulf funds.

We have prepared the INTERNATIONAL COMMERCIAL - INVESTMENT BANK alliance structure that will operate in general and specific Islamic – Gulf funds criteria indexed to this fund.

The Gulf-Muslim investors have been trying to lead their assets to safe investments. Due to the economic stability in recent years, its trust, safety, in terms of investor protection and the business familiarity with gulf countries, US has been a candidate to be the center of the investments of Gulf Countries with the 4 trillion dollars of fund source.

Besides, **10 million Muslim Americans** and other communities living in USA are interested in Islamic (with Murabaha and Ijara System for the Home-Mortgage-Auto-Education-Commercial-Invest-Etrade-Forex and Takaful / Insurance) Finance. **We have provided consultancy and brokerage services in this field for 4 years in the US all states.** **[USSHAREFUND](#)**

Also, We have a **VACCINE Startup investment company** in Texas / Houston with a Laboratory doing research in **[VACCINE-PHARMACY-BIOTECHNIC STARTUP CO.](#)**
